

Northwest Journey:

Counseling and Guidance Clinic

Northwest Journey is a mental health day treatment program unlike any other in the state of Wisconsin for children and adolescents. Northwest Journey offers comprehensive intervention and preventative services aimed at preventing out-of-home placements and creating family stability and individual success.

Our services

Individual Counseling:

Sessions are conducted regularly with each client to work on specifically identified issues.

Family Counseling: These services focus on the specific needs of the child within the family. Family issues such as communication, relationships, divorce, and drug and alcohol use are discussed.

Educational Services: In collaboration with local school districts to coordinate necessary academic requirements and facilitate reintegration into the school system.

(& more!)

We are reaching out to inform you of the services that we offer and we would appreciate the opportunity to discuss how our services might contribute positively to your patients' health and well-being.
